EDUCATION

Interaction Design | Bachelor's Degree

2016 - 2020 | L'Ecole de Design Nantes Atlantique, France

Studied UX and UI Design, Web Prototyping, 3D Modelling and Graphic Design. Worked on complex projects with companies. Learned to manage a teamwork and lead a project.

EXPERIENCE

Freelance

PGA Enterprise | Web Design & Front End

Comming Soon

Emmanuel Béranger | Web Design & Front End

January 2020, Shanghai, China

I was involved in the design and developpment of an artist's portfolio. Each design stage was discussed with the client in order to arrive as close as possible to their expectations.

Internship

Wonderlabs | UX UI Design

October 2019 to January 2020, Shanghai, China

I worked on severals missions including two originals Nike space events. All projects was related to Chinese consumers and I could experiment a really pleasant international teamwork environment.

Pigolabs | UX UI Design

July 2018 to October 2018, St Sébastien, France

I was engaged in the redesign of an online photo gallery (Piwigo) and his related commercial website. A formative experience in which I have been associated with a Back-End Developper and a Marketing.
